

late nite *laughs*

The Tonight Show with Jay Leno

- ◆ You know Ann Coulter? She was on CNBC today and she said 'Bill Clinton is gay.' Please, just because she's the only woman on the planet he wouldn't have sex with doesn't make him gay.
- ◆ A Tomahawk cruise missile fell off a truck in the Bronx this week. A cruise missile, isn't that unbelievable? You know what that means? There are now more weapons of mass destruction in the Bronx than there are in Iraq.
- ◆ AT & T said in the second quarter their profits increased by 81%. So apparently, the government is paying them to listen to our phone calls.

The Late Show with David Letterman

- ◆ How 'bout that Saddam Hussein? I'm beginning to think the guy's wacky. He announced that if he's found guilty he would like to be shot. Sounds like a job for Cheney.
- ◆ Condoleezza Rice was in Rome and she visited the Vatican and all the priests were very happy to see her. And everybody kept asking her 'What's it like to be celibate?'
- ◆ President Bush met with Iraqi Prime Minister Nouri al-Maliki and he spent the first hour trying to pronounce Nouri al-Maliki.

Late Night with Conan O'Brien

- ◆ A TV movie is being made about the girl who had the starring role in the Broadway show 'Annie' but ended up getting fired. She was going to play herself in the movie, but then she got fired again.
- ◆ Yesterday, Janet Jackson went to court to get a restraining order against a man claiming to be her husband. She said, 'One pretend marriage is enough for the Jackson family.'
- ◆ Ted Kennedy's nephew Michael allegedly had a five-year affair with a teenage babysitter. When asked about it Michael Kennedy said, 'I didn't want to be involved in the sex scandal, but it was my turn.'
- ◆ Scientists announced yesterday that life actually originated on the ocean floor. And the Mafia announced that's also where life ends.
